Ms. Stephanie A. Altig
Deputy Attorney General
Idaho State Police
Criminal Law Division
700 S. Stratford Drive
Meridian, ID 83642

Dear Ms. Altig:

Reference is made to your correspondence dated July 1, 2013, as to the possibility of the State of New York recognizing concealed handgun licenses issued by the State of Idaho.

New York State has not entered into firearms licensing reciprocity agreements with any other states and it is not anticipated that this policy will change in the foreseeable future. Therefore, in most circumstances, the possession of a handgun in New York State by a nonresident would be unlawful, regardless of their status as a pistol permit holder in any other state.

I hope this information proves useful to you.

Sincerely,

James E. Sherman
Technical Lieutenant
Pistol Permit Bureau
New York State Police
