RE: Idaho Concealed Weapons Licenses ("CWL")

Dear Ms. Altig,

In response to your letter dated July 6, 2016, the State of Colorado will continue to honor Idaho enhanced CWLs and those original CWLs issued to persons at least 21 years of age, as long as, Idaho continues to legally honor our Colorado Concealed Handgun Permit (CHP).

Colorado State Law, C.R.S 18-12-213, states that "a permit to carry a concealed handgun or a concealed weapon that is issued by a state that recognizes the validity of permits issued pursuant to this part 2 shall be valid in this state in all respects as a permit issued pursuant to this part 2 if the permit is issued to a person who is:

- (a) Twenty-one years of age or older; and
 - (b) (I) A resident of the state that issued the permit, as demonstrated by the address stated on a valid picture identification that is issued by the state that issued the permit and is carried by the permit holder; or
(II) A resident of Colorado for no more than ninety days, as determined by the date of issuance on valid picture identification issued by Colorado and carried by the permit holder.
- (2) For purposes of this section, a "valid picture identification" means a driver's license or a state identification issued in lieu of a driver's license" (C.R.S 18-12-213).

The Colorado Bureau of Investigation has taken responsibility for collecting and disseminating this information to Colorado Law Enforcement Agencies and to interested citizens. I will be your contact on these matters. My direct line is (303) 813-5702 or you may respond to me via email at James.Spoden@state.co.us.

We appreciate your time and attention regarding this matter and look forward to Idaho's continuing recognition of Colorado's Concealed Handgun Permits.

Sincerely,

Michael S. Rankin
