Dear Ms. Altig:

Thank you for your correspondence dated July 1, 2015, asking whether or not a valid concealed handgun permit or license issued in the state of Idaho is recognized in Maryland.

Unfortunately, Maryland law does not recognize handgun carry permits issued by any other state. Further, Maryland law does not authorize the State to enter into reciprocity agreements with any other states concerning the recognition of out-of-state handgun carry permits.

I trust the information provided has satisfactorily addressed your question. If I may be of any assistance to your office on this, or any other issue, please do not hesitate to contact me. I may be reached at 410-653-4500.

Thank you, again, for taking the time to bring this matter to my attention.

Sincerely,

Captain Dalaine M. Brady
