Dear Licensees:

Article III, Section 20, of the Constitution of the State of Idaho states that gambling is prohibited except as authorized. The Idaho State Police regards any illegal gambling or uses of illegal video gaming devices or casino activities or activities that simulate of any form of casino gambling as violations of the laws of the state and are not permitted.

We have received various complaints of illegal gambling activities within licensed establishments. Licensees are encouraged to cease any and all of these activities, as the Alcohol Beverage Control Bureau will be actively pursuing investigations into these complaints for purposes of criminal or administration sanctions.

Sincerely,

Lt. Russell Wheatley, Bureau Chief
Alcohol Beverage Control Bureau
Idaho State Police
