Dear Ms. Nowlin,

The analytical data submitted by your laboratory for the internal blood alcohol proficiency test has been received. Based upon the evaluation of the reported values, your laboratory is approved to perform ethyl alcohol determinations for legal purposes. This is pursuant to the rules governing alcohol testing mandated by IDAPA 11, Title 03, Chapter 1. This proficiency test covers the lab's requirement for certification for the year of 2014.

Sincerely,
